# WARRINGTON SOUTH CHESHIRE ALERT

A Suspicious White Van was reported driving slowly around the South.

Northwhich Rd – Stockton Ln – Broad Ln.

If you see what you believe is suspicious, please ring 101 or 'contact an officer' on the Cheshire Police Website to report your findings.

The van in question was identified as looking for work. Do not approach or engage but try to remember their license plate number (VRN).

Rogue traders will knock on the door, saying they are working in the area, and will point out something like a loose tile on the person's roof or that their drive needs resurfacing. They grossly over charge and then come back again and again, taking more money each time. They may even charge without completing the work.
